## Is in the Advertising That Reaches the Spot

It is not how much we eat that makes us strong and healthy, but that part of the food that we digest. In advertising the principal points are much like that of eating and digestion. In advertising millions of dollars are yearly spent that are practically thrown away because the advertiser has not studied closely the best mediums of reaching the particular people that he desires to reach. Now, with want ads., they have no particular class to reach. All classes read the want ads. in the home newspaper, The Times-Dispatch, because there is always something beneficial to be found in these want ads. Times-Dispatch Want Ads. rank as top-notchers among the best of want ads., and if you desire to reach the people you should try Times-Dispatch Want Ads., the advertising that reaches the spot.

# RICHMOND STILL BATTING IT OUT

Baseball Victory Due to Superior Hitting and Work of the Pitchers.

#### HICKS AND TITMAN LEADING

Richmond Castaway Hitting Like a Fiend-Many Are Hitting Better Now.

The third week of the baseball season finds Richmond still in the lead son finds Richmond still in the lead and winning games by better batting and the superior work of its pitchers. Cassidy has been very successful in the box, though all the pitchers are doing fine work. The team is perfecting its inside play, and is batting scientifically and intelligently. The catchers are throwing accurately and swiftly to bases, and, altogother, the team is rounding into form rapidly, more rapidly than any of the other teams yet seen here.

more rapidly than any of the other teams yet seen here.

This does not mean that the other teams have not some fine pitchers and good stickers, however, for that is distinctly not true. Team work is what wins, even over superior batting averages, and Richianond appears to have both at this stage of the season. The catchers, who have not yet gotten their eye on the ball for keeps, are improving in their hitting rapidly, both Hinton and Cowan having gotten singles during the week. Cassidy, of the pitchers, is also hitting the ball well, having an average of 300 in ten times at bat. Buesse, of .300 in ten times at bat. Buesse, of

Norfolk, is the best hitting catcher in the league.
